WOOLADDICTS

A close-up photograph of a tree trunk. The bark is heavily textured with deep, irregular cracks and is covered in a thick layer of bright green moss. A small ivy plant with several dark green, lobed leaves is growing vertically along the left side of the trunk, its stem and leaves partially covered by the moss.

NEVER SKIP A CHAPTER – READ EVERY LINE...

To create art,
you have to start somewhere.
Anywhere.
But for now,
let's start with "once upon a time"...
Don't forget, that not all is black and white.
Dive into colors... splish splash around.
Believe and create your own fairy tale.
Embrace all your knitting mistakes.
Be prepared to take a chance every now
and then - you are (f)awesome!
Don't simply create something, own it.
In case you're unhappy...
change it, cheer up and be bubbly!
And if you don't like the ending,
change the plot line.
Never forget,
"We're all work in progress,
and living work of art."

WE OFFER YOU THE MOST PERFECT RAW MATERIAL
FOR YOUR CRAFT(S).
THE REST DEPENDS ON YOU - WOOLADDICTS.
